PROFILE

Committed educator with one year of experience in teaching, seeking a primary teaching position to apply my knowledge and skills in creating an engaging and dynamic learning environment. Enthusiastic about fostering student growth through innovative teaching methods, interactive lessons, and a nurturing approach that encourages curiosity and lifelong learning.

EDUCATION

- **Master Degree**
M.A-Economics, Kuvempu University
2018-2020
- **Nursery Teacher Training (NTT)**
All India institute of child care and education, New Delhi
2023-2024

SUMMARY

Dedicated passionate early childhood educator with one year of experience in fostering young minds through engaging and developmentally appropriate learning experiences. Certified in Nursery Teacher Training (NTT) and well-versed in child psychology, classroom management, and interactive teaching methodologies. Committed to nurturing the social and emotional growth of children while creating a stimulating and supportive learning environment. Skilled in lesson planning, creative activities, and holistic development strategies to inspire a love for learning in early learners.

EXPERIENCE

● Nandagokula Kids Zone

One year

Working as a nursery school teacher involves planning engaging lessons, nurturing social and emotional development, ensuring safety, managing behavior, fostering creativity, supporting literacy, communicating with parents, assessing progress, encouraging teamwork, and creating a positive environment.
